

REMARKS

As the Examiner is aware, this application is part of an original "bulk filing" by Motorola. An IDS was filed with the RCE in this case, and the 1449 has not been returned. Consideration of the is IDS is requested.

The above amendments address the Examiner's comments made under 35 U.S.C. 112, and applicants appreciate the close reading of the claims. A Terminal Disclaimer is forthcoming.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,  
MAIER & NEUSTADT, P.C.
